WHITE WINE

SERVING TEMPERATURE
8-10 °C

12,5% vol

THE TERRITORY
A blend that gives the grapes a unique, fresh taste and well-balanced acidity. Sapidity, elegance of perfumes and freshness for these ready-to-drink wines. A territory of historical cultivation, enhances the vine making a quality product.

TASTE
A light straw yellow envelops delicate aromas of wild herbs, flowers and fruit that bloom on the palate with a medium intensity and a pleasant freshness.

PAIRING
An everyday wine to accompany any meal yet which harmonizes perfectly with a saffron risotto.

BIO
FRIUL FAMILY WINE
